So why don't you take a seat and have a look around - we'll do all the hard-work so you just have to concentrate on having fun!

Tudo Bem!

CABANA COVENT GARDEN

Cabana in Covent Garden offers an incredibly central London location in a landmark building designed by Renzo Piano.

This city location lends itself well to corporate away days or team bonding sessions and lunches. A stone's throw from the West End, you can even swing by before taking in a show! Also great for private hire or large groups to celebrate any occasion with great food in a fun atmosphere.

The venue can offer three spaces: **The Restaurant**, **The Caipirinha Bar** and **The Terrace**: which can be hired individually or combined for one outstanding bash. **The Amazon** section is also available as a semi-private space for smaller occasions.

THE CAIPIRINHA BAR

Roll up your sleeves and let our talented bar tenders walk you through the steps for making Brazil's National Cocktail - the Caipirinha - with a cocktail masterclass event at Cabana Covent Garden's **Caipirinha Bar**, the perfect team celebration or corporate hosting idea.

Or, if that sounds too much like hard work, let us take care of you with a cocktail reception and all you'll need to worry about is what flavour Caipirinha to pick: strawberry, passion fruit or classic lime.

15 seated/25 standing

THE TERRACE

With a prime position just moments from the hustle and bustle of London's Theatre Land, the Cabana terrace is a buzzy and atmospheric space for an ambient al fresco event (weather permitting). With our potted palms and tropical modernist vibe, you may even fool your guests you've transported them to an island getaway!

The terrace can be booked exclusively, as a split hire, combined with the Caipirinha Bar or as an excellent drinks space for a full hire event.

With Caipirinha bar: 15 seated inside/50 outside
Terrace only: 60 seated, 100 standing. Can be split into two halves
